Re: *United States v. Butler*, 19 Cr. 177 (GBD)

Dear Judge Daniels:

The Government respectfully submits this letter requesting a short adjournment of the conference scheduled for July 29, 2025, in the above-captioned violation of supervised release matter. The Government requested the defendant's production for this conference yesterday, July 28, 2025. Because the request was made after 4:00 p.m., the U.S. Marshals were unable to accommodate the defendant's production. The Government apologizes for the oversight and respectfully requests that the conference be adjourned until the morning of July 31, 2025, when the Government understands that the Court and the parties are available. The Government will ensure that the defendant is produced for the conference at that time.

Respectfully submitted,

JAY CLAYTON
United States Attorney
